

**Wisconsin Division of Public Health
Education and Training Advisory Committee**

January 26, 2006 Meeting Agenda

Wisconsin Medical Society
330 East Lake Street
Madison, WI 53701

Statement of Purpose -

EdTRAC has been formed with two principal objectives:

- (1) to contribute to the State Health Plan system priority objective to “create an Education and Practice Forum to assure a competent public health workforce through a collaborative information and education network for workforce preparation, support of current practice, and continuing education”, and (2) to systematically approach the multidisciplinary training and education needs of our public health system partners relative to emergency readiness.

Meeting Aims:

1. To obtain news and updates on relevant EdTRAC activities.
2. To obtain feedback on EdTRAC website and receive suggestions for further development.
3. To provide an understanding of the community/public health component within Academic Nursing Programs.
4. To review a summary of focus group findings: training needs assessment, training development for public health orientation and emergency preparedness.
5. To develop a shared understanding of EdTRAC purpose.
